

YOU MAKE A DIFFERENCE

The South Sacramento Interfaith Partnership (SSIP) Food Closet is happy to announce that we are again hosting the annual in-person Full Plates, Full Hearts event this June. As the SSIP Food Closet's only major fundraiser, FPFH provides the critical funds to support our food distribution operations and sustain this vital community program.

We are projected to meet or exceed the over 186,000 individuals we fed in 2023. The demand for our service remains elevated; your generous financial contributions will augment our food supply to keep up with the increase demand. More neighbors are turning to emergency food distribution agencies as a basic need to make ends meet.

The primary mission of the SSIP Food Closet is to maintain and operate an emergency food distribution program to alleviate food insecurity for Sacramento Area residents.
